

## **REPORT –VBD CAMP**

**NTL Electronics- Dehradun on 12<sup>th</sup> March 2015**

- A VBD camp was organised in the three Units of NTL Electronics Selaqui factory on 12<sup>th</sup> March 2015.
- The camp was conducted by the Red Cross Society in co-ordination with SBTC.
- The medical team of Doon Hospital and Mahant Indresh Hospital conducted the camp.
- The blood mobile bus was used during the

camp.

- 100 units were collected jointly by the medical teams and more than 150 staff/officers of NTL factory registered themselves but were deferred due to deficiency of HB, high Blood Pressure and other health reasons.
- Dr. I.S. Pal Gen, Secretary, Red Cross Society Uttarakhand, Shri Ranjeet Singh Verma, Chairman Managing Committee Redcross Society, Dr M.S. Ansari Secy. Redcross Dehradun, Mr. J.P. Srivastava AGM NTL, Mr. Bharat Bhusan HR Manager, Mr. Rajendra Negi, HR Executive, Smt. Rupali Red cross camp Co-ordinator etc. were among the eminent guests during the camp.
- An honor ceremony was organised at the beginning of the camp and Buquets were presented to the eminent guests of honor to welcome them formally.
- Special refreshment boxes and momentos were presented to all donors by the redcross society, Dehradun and blood banks.

- This camp was co-ordinated by AD VBD USACS with Dr. M.S. Ansari Secy. Redcross Society, Dehradun.

- After each voluntary blood donation mandatory test for TTI, Hepatitis B, C, Malaria, syphilis, HIV and Blood group are conducted to update the donor health status.
- A donor card is issued to all donors along with special reports generated after TTI screening by some blood banks.
- Posters and banners were well displayed at both the camp sites and pamphlets (VBD) were distributed to each donor during the motivation session and camp.
